

# EAS Source Tagging Specialty Footwear

## Custom solutions for many types of specialty footwear.

- Attractive solutions with EAS label hidden in body of tag provide cost-effective protection for all types of specialty footwear.
- Custom shapes and configurations available to fit your needs.
- Each tag includes an EAS label and either a multi-color label or raised imprint for brand identification.
- Tags can be applied by manufacturer, at distribution center or at store level.
- Touch or proximity deactivated.
- Barcode labels may be ordered online through our Mabel Service Bureau.
- All Sensormatic certified solutions.

Patent Pending

Molded Universal Tag

Molded Specialty Tag

Style# EAS-MU01

Molded of rigid plastic to prevent twisting, EAS label is set in recessed channel and enclosed with a UPC barcode label. The rectangular shape provides a large area for brand identification and is durable enough to be used across a wide variety of products.

Style# EAS-MS01

Molded of rigid plastic to prevent twisting, EAS label is set in recessed channel and enclosed with a UPC barcode label. Tag shapes can be custom designed to reflect shape of product, accommodate brand identification label and still accommodate Sensormatic label.
